

Rock school

Hi

My name is Nick Hagan , I am local to the area and have been a Guitar Tutor in Primary and Secondary Schools as well as privately for over 20 years.

I am also a Rock School band leader with over 15 years experience.

In addition to this I have toured in various bands around Europe supporting the likes of Amy Winehouse, Motorhead, Stereophonics and various other performers.

I would like to set up a "Rock School" at Malborough Primary School and invite pupils who are interested in performing together and playing in a group with my guidance, support and experience.

The sessions would be 30 - 40 mins at lunch time for all musicians including guitarists, bassists , ukulele's, keyboards, singers, string and horn players as well drummers ,all ages

from 5 or over and all levels .

Guitar, ukulele, String and Horn players would need to bring their instruments in.

The goal is to give pupils the opportunity to play and perform together in a fun and caring way and if appropriate perform in front of the school, at the end of term .

The Pop and Rock songs performed would something all levels and ages would be able to perform to their own ability.

The Cost would be £8 per pupil per session.

Payment would be made directly to me through bank transfer.

Each term would normally include 10 sessions .This summer term would be for 5 sessions. Payment is to be made upfront.

If you would be interested in having your son or daughter join this exciting project please contact

myself or the school where a contract with my details and info can be sent out .

Look forward to hearing from you

Nick Hagan
