Dear Parents & Carers,

Our Y6 children have been remarkable this week completing their Statutory Assessment Tests with determination. It has been a busy week for them with six different tests over four days but their resilience and hard work has been incredible. Well done Y6, we are all really proud of you and the effort you have put in. Thank you to all the families who have supported and helped the children to prepare and get to school early for our breakfast club. We now have many exciting events planned for their final half term at Malborough.

Thank you to all our families for your calm response last Friday whilst we implemented our lockdown protocols during the incident in Malborough. As you know, we collaborated with the police throughout the afternoon to keep the children safe and they felt the action taken was appropriate. We have asked the children not to speculate about it any further and to talk to an adult directly in or out of school if they have any questions.

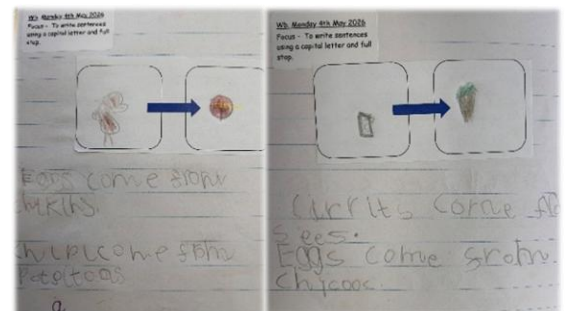

Have a lovely weekend.  
Mrs Pearson

## **CLASS 1 – MONDAY FOREST SCHOOL PE TUESDAY & FRIDAY**

This week Class 1 have read the story Oliver's Vegetables. We have been learning where different foods come from and the children have completed some fantastic writing! They carefully used their phonic knowledge to sound out new words. Well done!

On Thursday 21st May, in the morning, we would love to try and explore lots of different fruits and vegetables to celebrate the end of our Farming and Growing topic. We will chop and prepare the food in school and taste altogether. Please can children **bring in a fruit or vegetable on Wednesday 20th May**. I kindly ask that no cranberries, mango, grapefruit, or Seville oranges be brought in due to allergies. Thank you for your continued support.

---

## **CLASS 2 – PE TUESDAY & FRIDAY**

Class 2 have been learning about Guatemalan worry dolls in Art. The children enjoyed designing and making their own colourful dolls using a range of materials and techniques. We talked about the tradition of worry dolls and how they are used to help people share their worries and feel comforted. The class showed great creativity, focus, and care while creating their unique designs.

### **CLASS 3 – PE TUESDAY & WEDNESDAY**

Class 3 have had a super week. In English, we started our new text 'Weslandia' by Paul Flesichman. It tells the story of Wesley, a boy who creates his own wonderfully illustrated domain. In Maths, Year 3 have started the Fraction unit, looking at equal and unequal parts. Year 4 have continued to work hard with division, finding remainders.

In French, we have been looking at the different ice-cream flavours that you could buy in France. Everyone created some amazing posters for their imaginary ice-cream shops!

### **CLASS 4 – MONDAY FOREST SCHOOL – YEAR 5 PE TUESDAY & THURSDAY**

Congratulations to Year 6 for completing their SATs! They coped incredibly well and remained positive and resilient throughout the week. The SATs breakfast was absolutely delicious and thoroughly enjoyed by everyone. Year 6 also enjoyed ice creams

kindly donated by the Salcombe Ice Cream Company — thank you so much to Herbie's mum for this thoughtful treat. The children celebrated together throughout the day in a relaxed atmosphere filled with fun and laughter. They also enjoyed the revision activities during the week, including the Maths Scavenger Hunt. A huge thank you to Year 5 as well for their cooperation and for supporting their peers in Class 4 so wonderfully throughout the week.

**\*\*Please take note of our diary dates and announcements at the bottom of the Newsletter. New dates going forward will be added in Red\*\***
