Dear Parents & Carers,

It has been a week of transition events at Malborough. Our new Reception children enjoyed their final afternoon at school and we welcomed parents into the school on Monday to meet Mrs Miller. Y6 pupils have now been allocated their tutor groups and had a day at KCC on Thursday this week. In the background, our staffing team are starting their handovers for the children who will be moving up to a new class. The children will have the opportunity to spend a morning with their new class on Monday 13th July.

Earlier this week, I shared the exciting news that Mrs Miller is expecting her second baby in January. I would like to take this opportunity of sending her and her family the warmest congratulations. We are currently making plans to cover both her class teaching and SENDCo role and will update you with these in the Autumn term.

It was lovely to see so many of you at Sports Day. Our second attempt was a real success and we were pleased to see so many children participating and enjoying the sporting afternoon.

Many thanks,

Mrs Pearson

GRENVILLE

The Year 6 residential took place at Grenville House in Brixham. Despite the extremely hot and challenging weather conditions, the children showed incredible resilience throughout the week. They came away with a greater understanding of what they can achieve through grit, determination and teamwork.

Many of the children challenged themselves by trying new activities for the very first time, including paddleboarding, canoeing and the high ropes course. It was wonderful to see their confidence grow as they stepped outside their comfort zones and encouraged one another to succeed.

We also enjoyed meeting children from Modbury Primary School, making new friendships and sharing memorable experiences together. The residential was an unforgettable week, and we would thoroughly recommend it to future Year 6 pupils.

CLASS 1 – MONDAY FOREST SCHOOL PE TUESDAY & FRIDAY

Class 1 have been creative, joining materials and constructing different vehicles. Some children created pirate ships to sail the seven seas and other rockets to zoom into space!

Also, a special mention to all the children in Class 1 for their fantastic participation in sports day. The children were resilient and tried their hardest at every activity! Well done!

SWIMMING – TUESDAY & FRIDAY

CLASS 2 – PE TUESDAY

Class 2 have been had a great week with lots of busy activities to help with our learning. In Year 2 we decided the best way to learn about time was to make our own clocks! We are very excited to finish our current English unit and show out lovely poetry with the wonderful animals we have been writing about.

SWIMMING TUESDAY & FRIDAY

CLASS 3 – PE TUESDAY & WEDNESDAY

On Thursday, Class 3 had an amazing experience at the Tamar Crossing. We took a walk across the Tamar bridge, to look at the Royal Albert Bridge, we were we taught some really interesting facts about how and why the bridge was built!

We also met an Isambard Kingdom Brunel impersonator who shared some more information about his life and his fantastic engineering work.

Finally, we took part in a hands on workshop before enjoying our picnic lunch in the sunshine.

SWIMMING THURSDAY & FRIDAY

CLASS 4 – MONDAY FOREST SCHOOL – YEAR 6 PE TUESDAY & THURSDAY

We have enjoyed exploring the art of origami at the end of our sculpture topic in Art. We are developing our origami skills by carefully following instructions, folding with accuracy and showing patience and perseverance. The children have created a range of impressive paper sculptures while improving their precision, creativity and attention to detail.

Year 5 have enjoyed playing maths-related board games as a reward towards the end of the year during their maths lessons. The children demonstrated excellent strategic thinking, applied their times table knowledge confidently and worked collaboratively with their peers. These games provided a fun and engaging way to reinforce key mathematical skills while encouraging communication, problem-solving and teamwork.

SWIMMING TUESDAY & THURSDAY

GARDENING CLUB - Plant Donations

The Gardening Club would be very grateful for donations of plants to help brighten our Sheep Garden, hanging baskets, and flower beds. If you have any spare plants, cuttings, or seedlings that you would be willing to donate, they would be greatly appreciated. For further information or any queries, please contact Mrs Chester or the office.
Thank you for your support.

****Please take note of our diary dates and announcements at the bottom of the Newsletter. New dates going forward will be added in Red****
