Dear Parents & Carers,

It was lovely to see so many people attend our 'Meet the Teacher' sessions. We completely understand that this isn't always possible and Y1-Y6 parents should have received the information slides, please do let us know if you have not had a copy.

Year Two had a dentist visit this week reminding them about the importance of maintaining healthy teeth. Year Six children thoroughly enjoyed the opportunity to go fishing - a huge thank you to Devon Young Fishers who organised this experience.

We have been talking about our pupil leadership opportunities and classes are electing their new roles for this year. Classes are currently electing their representatives. We look forward to meeting with the new school council, eco council and spiritual detectives to see what ideas they can initiate.

Next Wednesday 23rd September, Year Six will have their session with Becky looking at their Bibles. Please can everyone bring their Bibles back into school on Wednesday.

Have a lovely weekend

Mrs Pearson

TEMPEST PHOTOGRAPHY

School photographs will now be taking place this Monday, 21st September.

Siblings: If you have children who are siblings but **do not** attend our school, please bring them in at **8:30am** so they can have their photographs taken together. Please note that parents/carers bringing children in early will be responsible for supervising their child until 8:50am, when the school gates open.

Forest School: Reception and Year 1 children should come to school in their **school uniform**. Please remember to bring your child's **Forest School clothes** with them so they can change into them after their photograph.

CLASS 1 – FOREST SCHOOL MONDAY PE TUESDAY AND FRIDAY

Class 1 have been busy exploring their natural environment. In forest school they made 'log dogs' and have been playing in the outside area mud kitchen and sand pit. Sorry if there are coming home a little bit messy! The children have created their families out of found materials and have talked about people and memories special to them.

CLASS 2 – FOREST SCHOOL MONDAY YEAR 1 PE TUESDAY AND FRIDAY

Class 2 have had a great second week back. We have now explored all the subjects we are going to be doing. Year 2 were lucky enough to have a visit from the Open Wide and Step Inside programme to teach the children about oral hygiene. They should have come home with a super book and some goodies.

CLASS 3 – PE TUESDAY AND WEDNESDAY

This week in RE, we continued our learning about the story of Noah and his Ark, exploring the key events of the story and thinking about the messages and values it teaches us. In French, we have been learning how to talk about holidays and practising useful phrases and vocabulary that we can use when discussing where we are going and what we might do. We have also continued reading *Wilderness*, enjoying the story together and developing our reading and comprehension skills as we explore the characters and events.

CLASS 4 – PE TUESDAY AND FRIDAY

Class 4 have been busy this week writing diary entries inspired by *The Arrival* by Shaun Tan. The children have been focusing on using powerful language choices to bring their ideas to life. They have been practising emotive verbs and impactful adjectives to show feelings clearly in their writing. They have also been learning how to personify the weather to mirror a character's emotions, helping their diary entries feel vivid and atmospheric. The class have shown great imagination and care in crafting thoughtful, expressive pieces of writing.
